

Police-reported cybercrime, 2013

Released at 8:30 a.m. Eastern time in The Daily, Tuesday, June 9, 2015

Data for 2013 on police-reported cybercrime is now available for a subset of police services across Canada that report to the newest version of the Uniform Crime Reporting Survey. The survey collects data on criminal incidents reported to police, including information on victims and accused persons involved in the incident.

Data are available upon request.

Definitions, data sources and methods: survey number [3302](#).
