

Police-reported data on hate crime and cybercrime, 2014

Released at 8:30 a.m. Eastern time in *The Daily*, Tuesday, April 12, 2016

Data for 2014 on police-reported hate crime and cybercrime are now available. Data are from a subset of police services across Canada that report to the most recent version of the Uniform Crime Reporting Survey.

The survey collects data on criminal incidents reported to police, including information on victims and accused persons involved in the incident.

Hate crime data are available in CANSIM; additional information is available upon request.

Cybercrime data are available upon request.

Available in CANSIM: tables [252-0091](#) to [252-0093](#).

Definitions, data sources and methods: survey number [3302](#).
