A Message from the York Region Chairman and CEO

On behalf of The Regional Municipality of York, please accept a warm welcome to the 26th Annual Canadian Association of Police Governance Conference.

Each year, this important conference provides an opportunity for participants to collaborate, innovate and be part of the conversation on the future of policing and police governance.

The Regional Municipality of York prides itself on being an excellent place to live and is one of the safest places to live in Canada.

This event supports our Region's efforts in enhancing public safety while commending the collaborative and pro-active work being done to improve police governance across Canada.

Your commitment to providing this forum also reflects the value placed on creating strong, safe and caring communities.

I also wish to personally recognize the attendees and organizers of this year's conference. Please accept my congratulations and best wishes for a truly successful event.

Yours truly,

Wayne Emmerson
York Region Chairman and CEO
