A Message from the Chair of the York Regional Police Services Board

On behalf our Police Services Board, I am pleased to welcome you to the 26th Annual CAPG Conference. The theme for this year, Get Connected, will highlight the importance of better policing and stronger governance through partnerships and representation from our many communities. Our Board has valued the important partnerships with our many diverse communities which we hope to share with you.

Delegates will have opportunities for rich and varied dialogue and to share information, best practices and perspectives. There is great work being done across Canada in community safety, and we are excited to provide a forum where these efforts can be shared and discussed.

I also look forward to welcoming you to York Region – a municipality rich in cultural diversity, a hub of innovation and ideas and a place where some of the best minds will come together to make a positive impact on our communities and to strengthen police governance and accountability.

As Mayor of the City of Markham, a Host Municipality of the 2015 Pan Am and Para Pan Am Games, I invite you to experience the many activities offered in Markham and across York Region and wish you a very productive and successful event.

Yours truly,

Frank Scarpitti, Chair
Mayor, City of Markham
