

Strategic Plan 2018

CAPG MISSION STATEMENT

The Canadian Association of Police Governance works collaboratively and proactively with members and partners to enhance civilian governance of policing in Canada.

CAPG VISION STATEMENT

The Canadian Association of Police Governance is a strong, national voice and resource for civilian governance of policing in Canada.

OUR STRATEGIC DIRECTIONS

1. **INFORM.** Ensure members have independent access to the information and insights needed to be effective as police governance organizations.
2. **CONNECT.** Bring members and partners together on a regular basis to share knowledge and develop deeper connections.
3. **FOCUS.** Articulate a common national voice on priority issues in police governance and community safety, and advocate for change.
4. **BUILD.** Stimulate thought leadership and contribute to evidence-based research and initiatives that fill gaps in our current knowledge on police governance.

The CAPG will:

1. collect, assemble, synthesize, and disseminate best practices as a tool kit/resources for members;
2. convene groups to knowledge share and build common perspectives on civilian governance;
3. be a national voice to influence public policy on civilian governance of policing and community safety;
4. partner with thought-leaders to further the discussion on emerging evidence-based community safety and policing issues.
